EDUCATION

Stockton University

Bachelor of Science in Computer Science

Atlantic City, NJ

Expected Graduation: 2026

Major: Computer Science (Continuing)

- Relevant coursework: Data Structures & Algorithms, Linear Algebra, Software Engineering, and Foundations of Computer Science
- Organizations: StocktonCS, Computer Society, ISA (Indian Student Association)

Parul University

Bachelor of Technology in Computer Science & Engineering (Transferred)

Baroda, India

2022 - 2024

Major: Computer Science (Completed 2 years of Program at Parul University)

- Relevant coursework: Introduction to Programming, Data Structures & Algorithms, Discrete Mathematics, Computer Architecture, Operating Systems, Database Management, Computer Networks, Full Stack Web Development with Python
- Organization: Coding Club, Outdoor Athletic Club (Badminton, Volleyball)

CERTIFICATES & LICENSES

- Computer Network and Internet Protocol (NPTEL Online)
- Google AI Essentials (Coursera)
- Database and SQL (Infosys Springboard)
- C Programming Language (Coding Club, Parul University)
- Coding Club Coordinator Certification (Coding Club, Parul University)
- Conflicts of Interest (CITI Program)
- Responsible Conduct of Research for Engineering & Computing (CITI Program)
- ISC2 Candidate — International Information System Security Certification Consortium

PROJECTS

Code Connect — Full-Stack Web Application (Flask, MySQL, Docker)

- Building a full-stack collaboration platform using Flask, MySQL, and Docker, featuring role-based access for students, alumni, professors, and businesses.
- Implementing core features including project posting, job listings, real-time group messaging, REST APIs, and a responsive Tailwind CSS UI.
- Added enhanced functionality such as admin-side pagination, secure session management, and scalable database structure to support growing user activity.

SKILLS

- Technical Skills: Python, Flask, DSA, Front-End Web Development (HTML, CSS, JavaScript), Database Management (MySQL), Tailwind UI, Learning AI
- Tools: Microsoft Office, POS Systems, Canva, VN and Cap-cut for Video-editing
- Languages: Gujarati — Fluent, Hindi — Intermediate, English — Fluent

EXPERIENCE

Hard Rock Hotel & Casino

Atlantic City, NJ

Front Desk Agent-I

July 2025-Present

- Used **LMS iSeries** to handle full front-office operations including check-ins/outs, billing, folio adjustments, reservations, room blocking, and guest notes, while quickly diagnosing and resolving system or account discrepancies.
- Leveraged **HotSOS (Amadeus)** to manage service requests, coordinate with departments, and ensure issues were completed accurately and on time.
- Applied strong analytical and problem-solving skills to resolve complex guest situations, using a clear, logical, and step-by-step approach similar to debugging.
- Adapted to new procedures and system updates efficiently, using CS knowledge to troubleshoot technical issues and assist team members with system navigation.
- Maintained accuracy and compliance through detailed reviews of reports, transaction balancing, and organized record keeping.

Spectrum Dyes & Chemicals Pvt. Ltd.

Surat, India

Intern

May 2024 - June 2024

- Worked directly with a senior software engineer, gaining hands-on experience with industry, best practices and real-world development workflows.
- Focused on front-end development using HTML, CSS, and JavaScript to build responsive, user-friendly interface components.
- Contributed to project tasks across the development life cycle including requirements, design, coding, and testing to support high-quality deliverables.

Coding Club | Parul University

Baroda, India

Co-Ordinator

Feb 2023 – April 2023

- Collaborated with diverse teams, strengthening communication skills and the ability to explain ideas clearly to both technical and non-technical audiences.
- Participated in code reviews and applied feedback to improve coding quality, problem-solving, and overall technical proficiency.
- Demonstrated adaptability and professionalism by learning new tools quickly, managing deadlines, and maintaining clear communication with team members and stakeholders.
